Western Suburbs/ Katutura

*Forced to move to a place far away from town, they created Katutura
"The place where we do not want to live". This changed to be today
"The place where we want to make a living". Not only is it one of
the world's safest informal settlements, it is also a fascinating
example of*

*making **SOMETHING** out of nothing!*

Half day tour: SADC Nationals - N\$380
