

# 9<sup>th</sup> International Congress of Dipterology

25–30 November 2018

Windhoek, Namibia

## Symposium: Ecology and behaviour of biting flies

<http://icd9.co.za/>

Ceratopogonidae – Culicidae – Muscidae (Stomoxyninae) – Simuliidae

Tabanidae – Psychodidae (Phlebotominae) – Glossinidae

- Trapping techniques
- Behavioral responses to:
  - Attractants
  - Repellents
- Novel species and technologies

If you are interested in presenting a paper in this symposium please send your proposed title to:

1. Daniel L. Kline ([dan.kline@ars.usda.gov](mailto:dan.kline@ars.usda.gov)) or
2. Jerry Hogsette ([jerry.Hogsette@ars.usda.gov](mailto:jerry.Hogsette@ars.usda.gov))
